Rise up against white supremacy

American Guard Members Identified In Group Photo

Posted on 9 November 2019

The combined efforts of [Colorado Springs Anti-Fascists](#), [Corvallis Antifa](#), and [Long Beach Antifa](#) have successfully identified the American Guard members who traveled to Portland, OR, on August 17, 2019, to harass and assault the community of Rose City.

[American Guard](#) are an ADL-designated white supremacist hate group.

As such, here is the photo with each American Guard white supremacist identified. Please remember that you don't need to be white in order to uphold the tenants of white supremacy.

Brien James is president of American Guard and is an **SPLC designated far-right extremist** while Joshua Long is the Vice President. Brien is trying to be the daddy and is the person who we would consider the face of the violent American Guard group.
